

**ENVIRONMENTAL
EXPLORERS**

BIRCH

TERM 5

LITERACY

In Literacy this term children will be exploring the traditional tale 'Jack and the Beanstalk'. The children will write character descriptions using adjectives to describe both Jack and the Giant. They will have the opportunity to write their own version of the traditional tale, acting it out to support them with their storytelling. Birch class will be writing instructions and will be learning the importance of using imperative verbs when doing so.

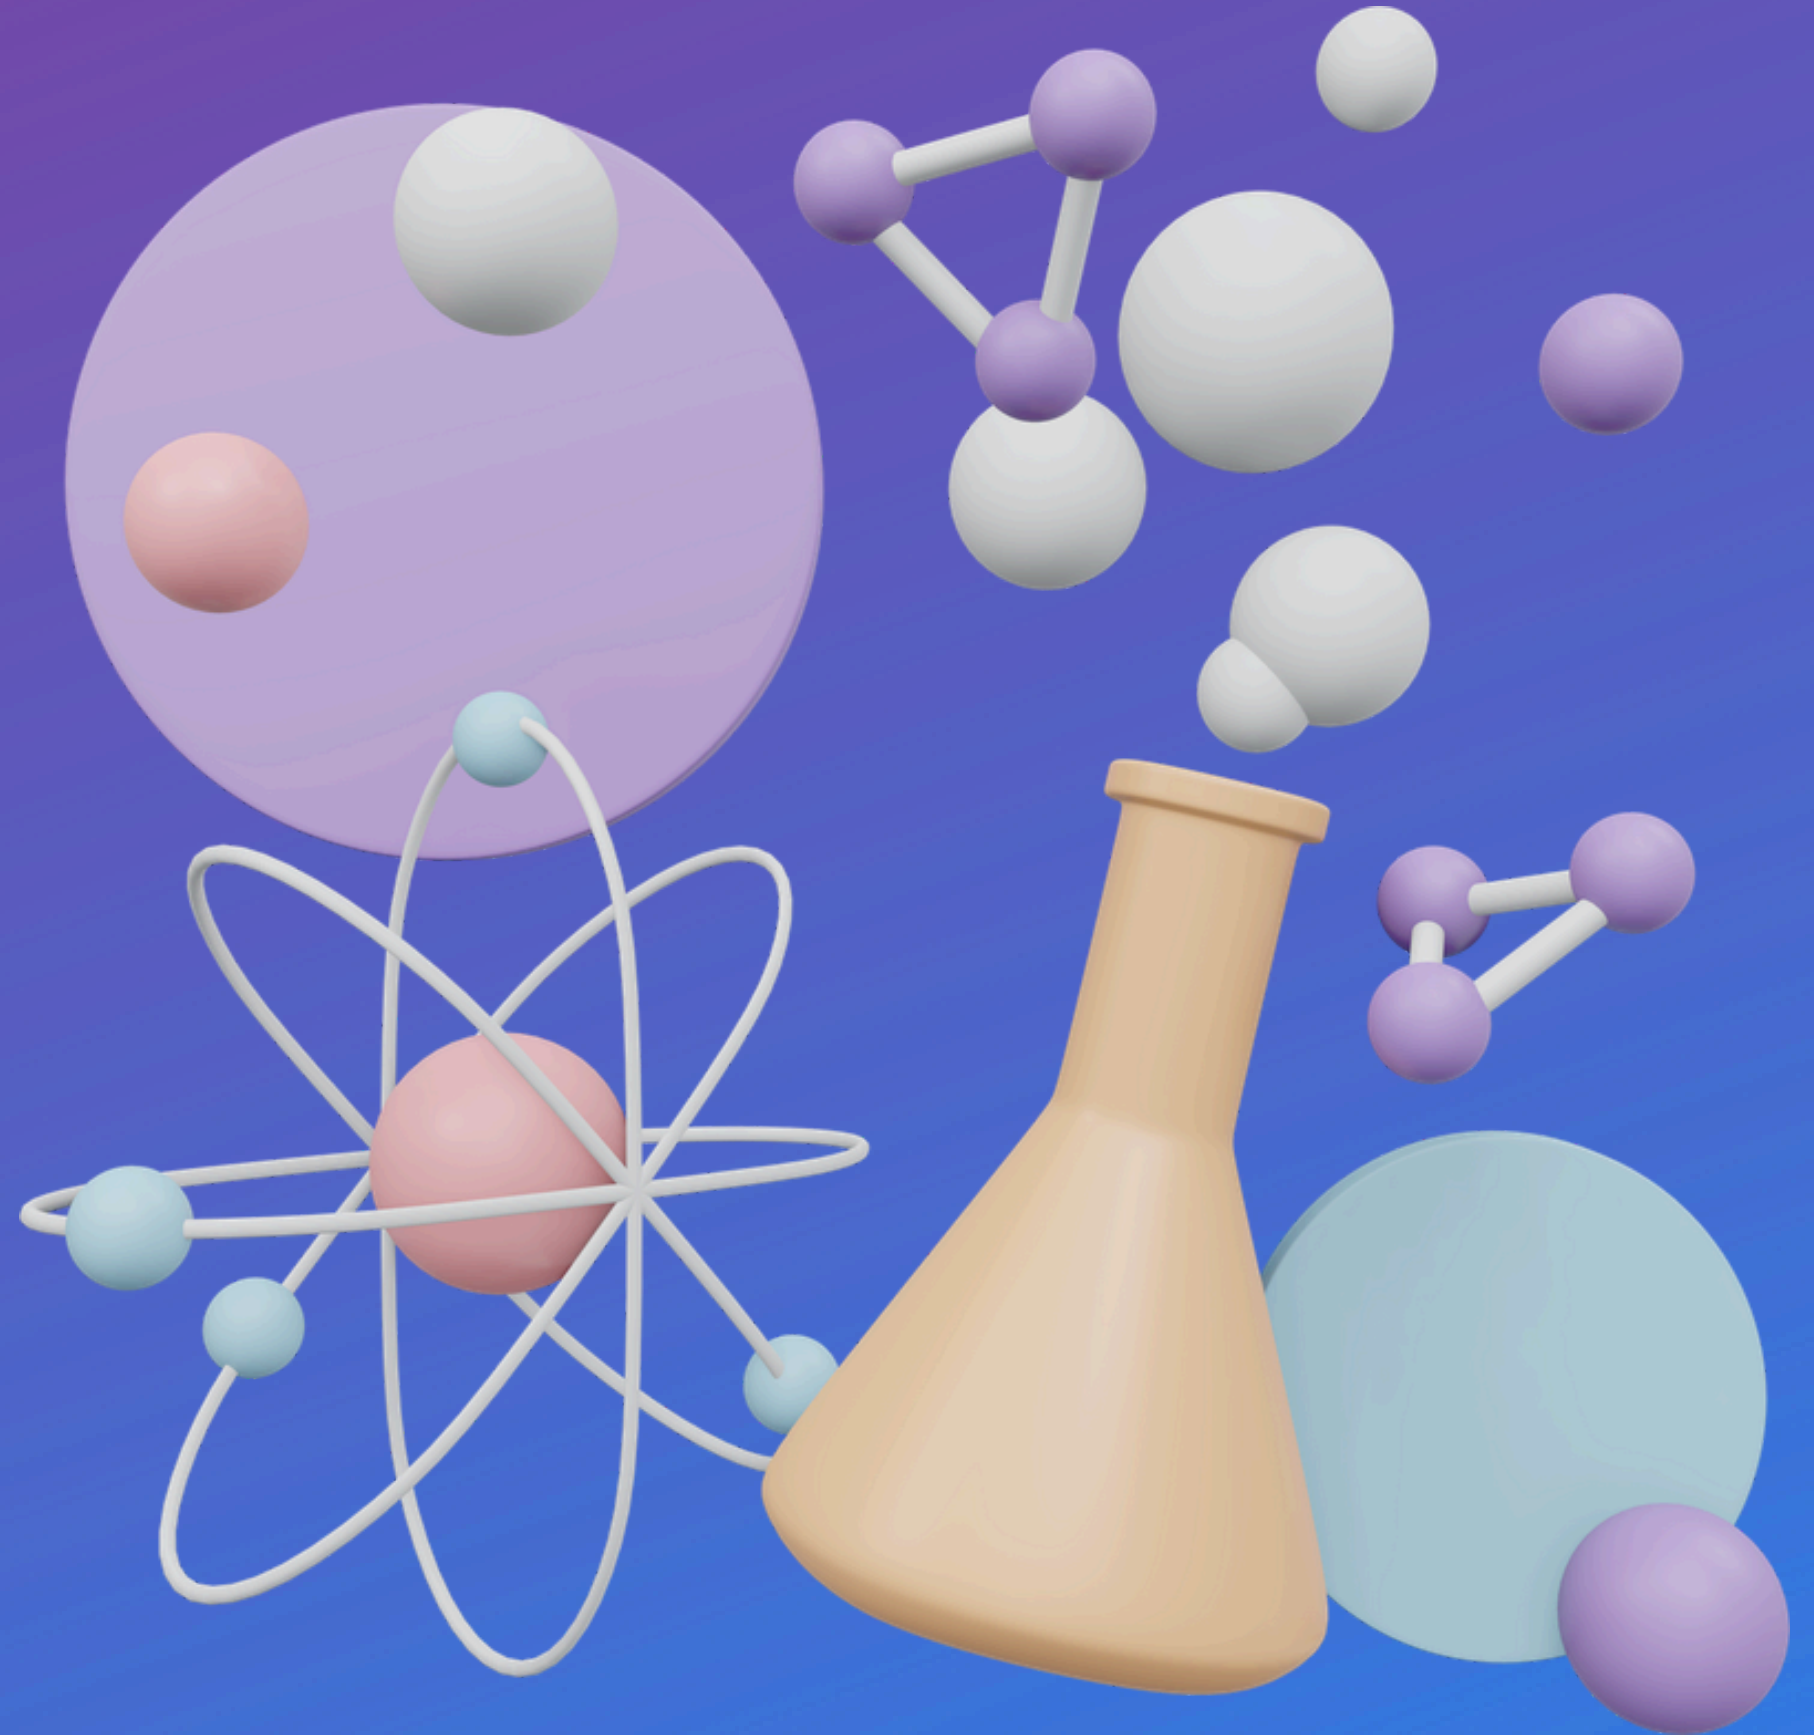

Maths

In Term 5 the children will continue to work on their number recognition to 100. They will continue to practice their addition and subtraction using two-digit numbers. They will continue to practice counting in 2s, 5s and 10s, using this knowledge to solve multiplication and division calculations.

Science

In Science, Birch Class will continue to learn about the seasonal changes. Our topic for the term will be 'Plants' whereby we will be learning the different features of a plant and their functions.

Topic

Our theme this term is 'Environmental Explorers' and we will be learning all about extreme weather. We will be considering how the weather affects us and comparing the weather in the UK to other parts of the world.

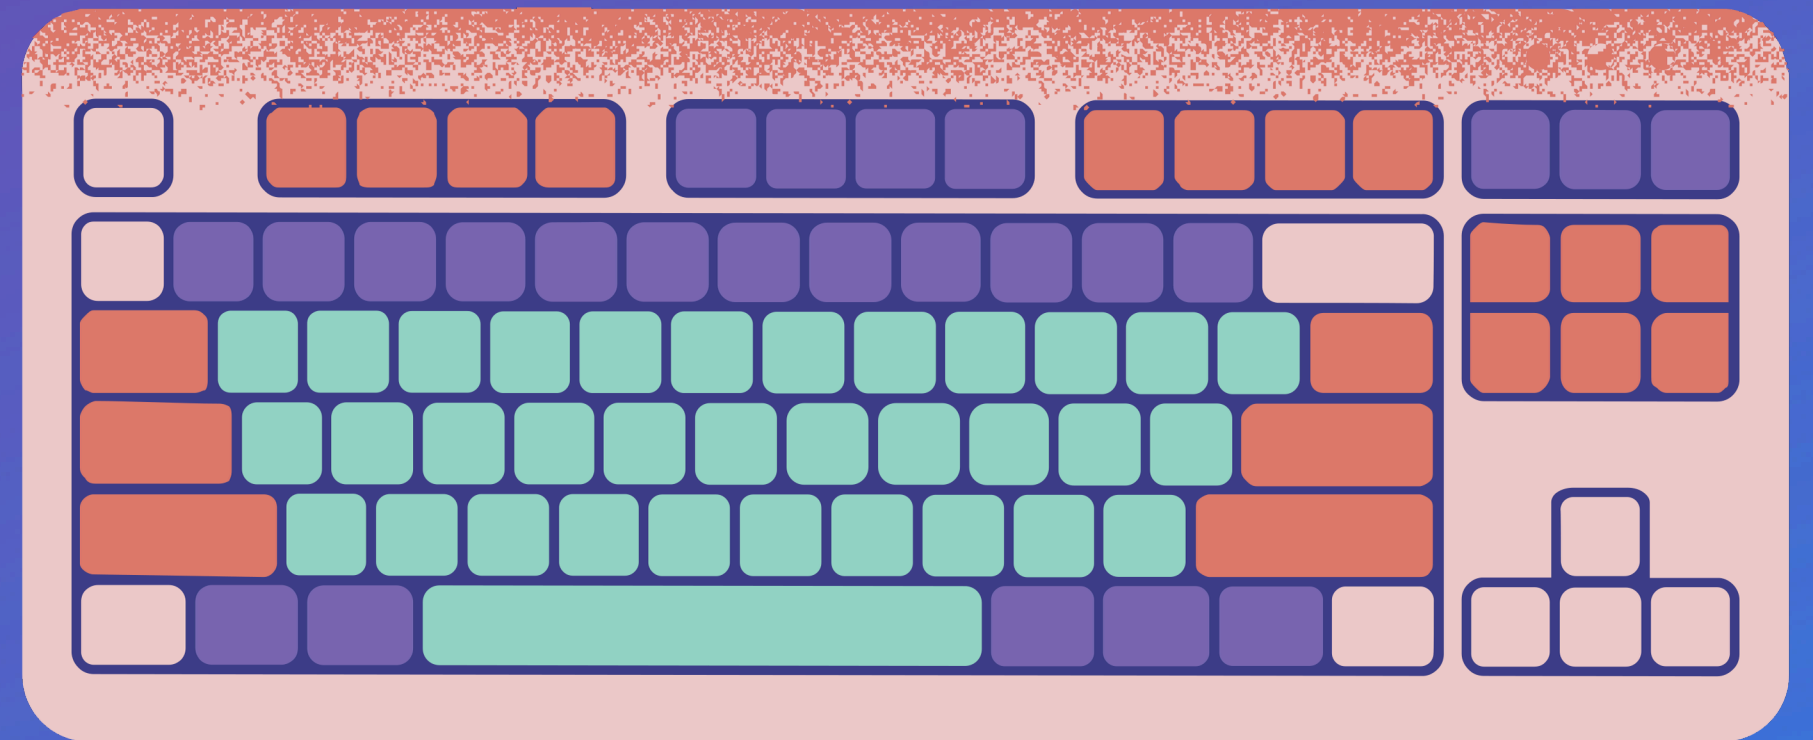

RE

In RE the children will be thinking about the question 'What makes some places sacred?' They will be thinking about their own sacred places and learning about sacred places related to a range of religions.

Computing

In Computing this term, the children will be learning all about digital writing. They will develop their ability to use the keyboard on a laptop and practice how to type, format and edit their text.

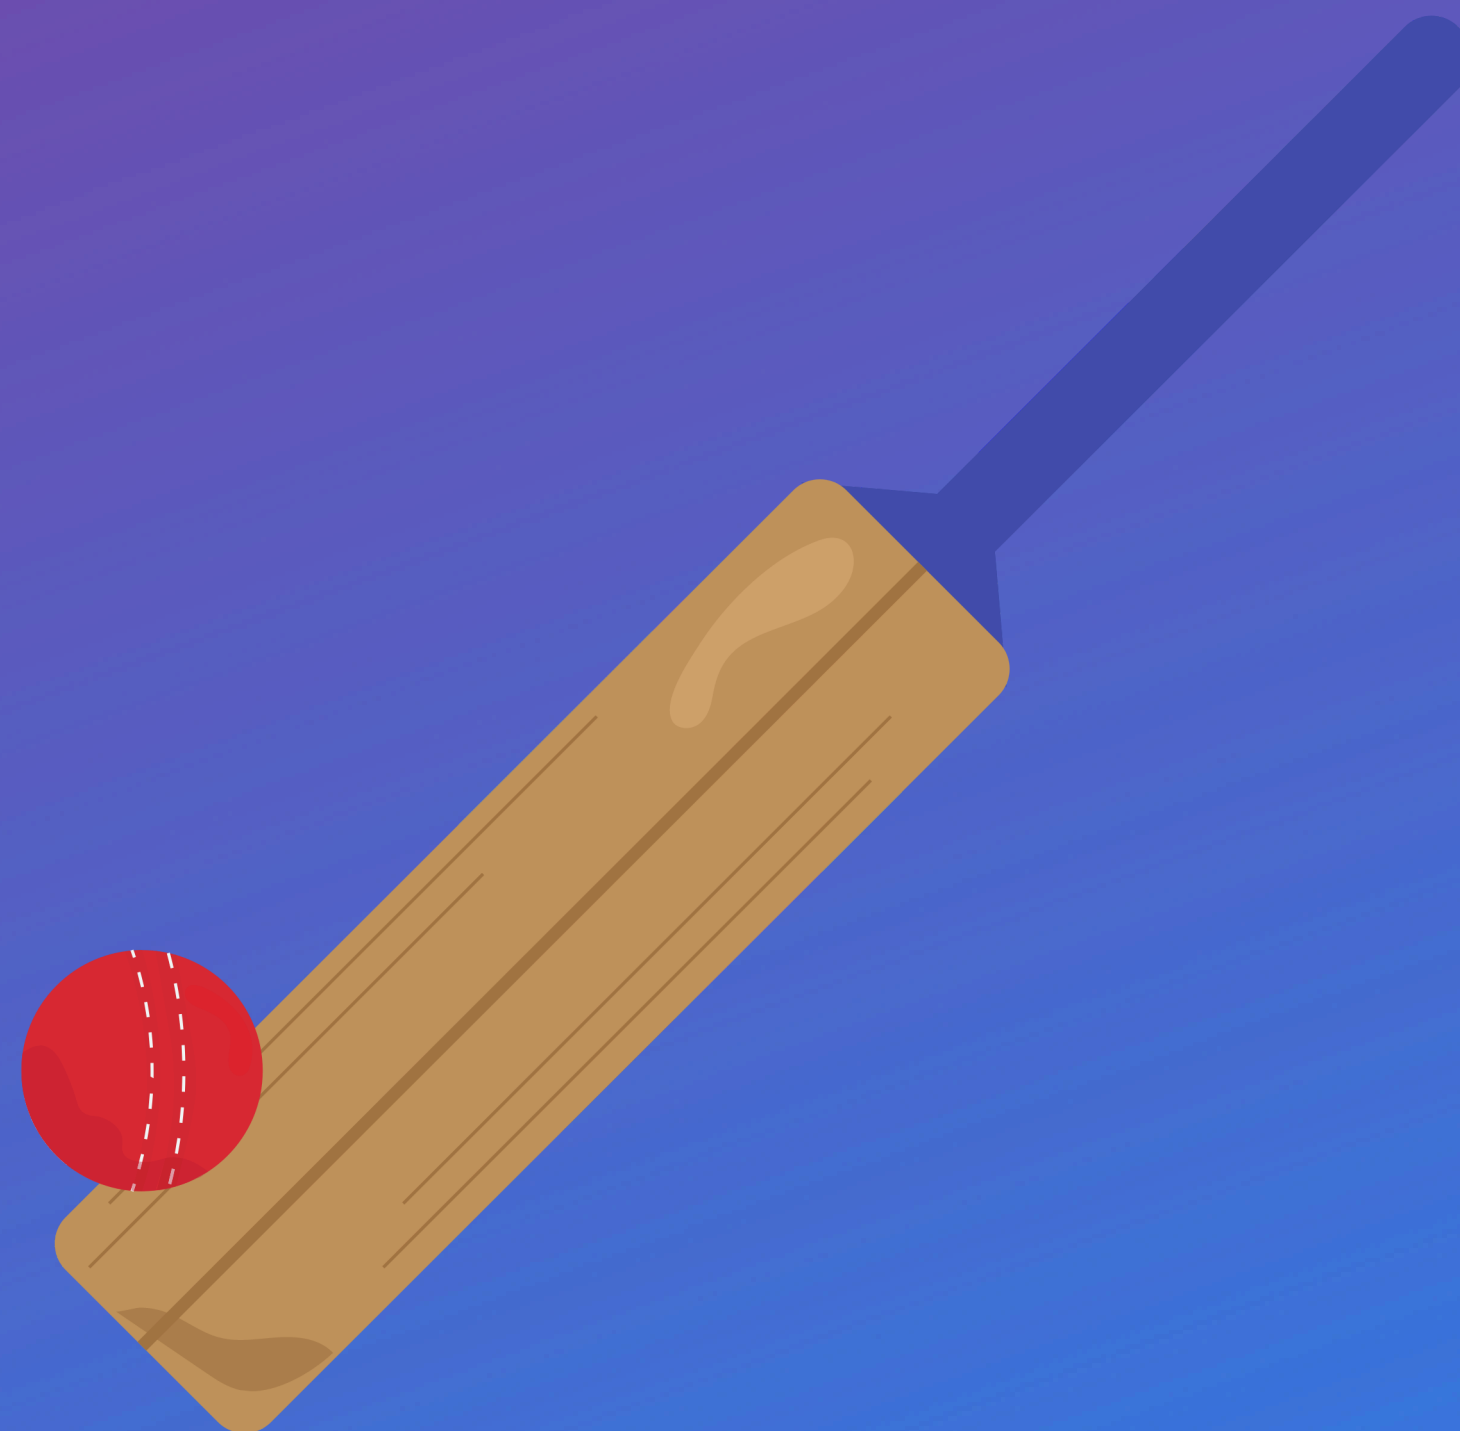

Music

In Music this term children will be considering how they move differently to different types of music. They will continue to compare the types of instruments and genre of music that they hear.

PE

The children will be participating in Kwik Cricket. We will also be learning and performing dances inspired by fairytales such as Pinocchio and Jack and the Beanstalk.

Art/DT

In DT this term the children will be learning about product design. They will learn about the effects of flooding and design and test their own sea defence.
