

**The Island
Learning Trust**

Attendance Policy

Sunny Bank Primary School

Last reviewed on:	July 2025
Next review due by:	July 2026

The Island Learning Trust is committed to providing a full and efficient education to all pupils and embraces the concept of equal opportunities for all. This attendance policy has been developed to ensure a consistent, supportive response to all students and families in our care.

All of our schools take a 'support first' attitude when working with families to improve attendance, recognising that regular attendance is vital for children's learning, wellbeing, and social development. We are committed to identifying and addressing any barriers that may prevent children from attending school regularly, ensuring that our approach is inclusive and responsive to individual needs.

We work in partnership with families through open communication and shared decision-making, always focusing on solutions rather than blame. Children's voices are central to our approach; we listen to them, work alongside them, and value their input—encouraging them to set personal goals, share their experiences, and celebrate progress.

We strive to create an environment where all pupils feel valued and welcome, and consistently work towards a goal of 100% attendance, ensuring every child has the opportunity to reach their full potential.

1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [Working Together to Improve Attendance](#) through our whole-school culture and ethos that values good attendance, including:

- Support First – We prioritise understanding and support over judgement when addressing attendance concerns.
- Equity and Inclusion – Every child and family is treated with fairness, respect, and sensitivity to individual circumstances.
- Partnership with Families – We work collaboratively with families to build trust and shared responsibility for attendance.
- Child Voice – We actively listen to and involve children in shaping their attendance journey.
- Barrier Awareness – We recognise and respond to the diverse challenges that may affect attendance.
- Celebrating Progress – We acknowledge and celebrate improvements and efforts, not just perfect attendance.
- Consistency and Clarity – Our approach is clear, consistent, and communicated effectively across all schools.
- High expectations – we have high expectations for all our children to support them to achieve their full potential.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on **working together to improve school attendance (applies from 19 August 2024)** and **school attendance parental responsibility measures**. The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the **Education Act 1996**
- Part 3 of the **Education Act 2002**

- Part 7 of the **Education and Inspections Act 2006**
- **The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, and 2016 amendments)**
- **The Education (Penalty Notices) (England) (Amendment) Regulations 2013**

It also refers to:

- **Keeping Children Safe in Education**
- **Mental health issues affecting a pupil's attendance: guidance for schools**

This policy also complies with our trust's funding agreement and articles of association.

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time
- To endeavour 'to best they can be' by asking a trusted adult for help or support if they are concerned or worried about anything.

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school gates open at 8.30am with the school day starting at 8.50am and ending at 3.15pm. For our nursery age children, the sessions run from 8.30am-11.30am and 12.30pm-3.30pm.

Pupils must arrive in school by 9.00am on each school day.

The register for the first session will be taken at 8.50am and will be kept open until 9.00am. If a child arrives between 9.00am and 9.10am they will enter through the school office and will be marked as 'L' (late attendance). For anyone arriving after 9.10am they will be marked as 'U' (unauthorised absence), unless this is due to, e.g. medical appointment. The register for the second session will be taken at 1.00pm and will be kept open until 1.05pm.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by **9.00am** or as soon as practically possible, by calling the school office, who can be contacted via telephone on 01795 473891 or email at SBoffice@tiltrust.org.

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school may ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment, this should be done via the school office.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late (L)
- After the register has closed will be marked as unauthorised (U)

If a pattern or lateness occurs the school will send a letter to parents highlighting concerns regarding punctuality and/or may invite parents in for a meeting to discuss any support necessary.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Attempt to call the first point of contact on the contact list by 9:30am asking for response
- If no response to call, a message will be sent to the first name on the contact list by 9:45am asking for a call to school to notify and confirm the reason for absence

- If there is still no response, the school will ring numbers on the contact list until a reply is received
- The office will alert the FLO of which children are absent by 10:00am, If FLO is not available to report absences to DSL
- HT/DSL/FLO to risk assess the current level of concern and consider whether circumstances warrant a home visit
- Home visit is to be made following decision at 10:15am, where possible by FLO/DSL/school staff or any other agency
- If no response at home visit, FLO/DSL to consider family history, other agencies involved, risk assess situation and make appropriate calls/referrals
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving the school liaison officer or any other agency as appropriate
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals

Schools will notify the local authority of all compulsory aged pupils who are continuously absent for at least 10 school days where 1 or a combination of the unauthorised absent codes are recorded – G, N, O, U. The local authority will be notified by way of an online return and this will be completed on a termly basis.

4.6 Reporting to parents

The school will regularly inform parents (see definition of ‘parent’, as used in this policy, in section 3.8 above) about their child’s attendance and absence levels. Parents can obtain up-to-date information via the Arbor app, in addition by requesting a paper copy of their child’s registration certificate, these will also accompany their child’s annual school report.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The head of school will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The head of school will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the **2024 school attendance regulations**. These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the head of school's discretion, including the length of time the pupil is authorised to be absent for.

Below are a few examples of where 'exceptional circumstances' may be considered (not exhaustive list). Decisions must not be discussed or shared. Failure to adhere to confidentiality may result in decisions being voided. Examples are:

- Significant bereavement, crisis or serious illness
- Funeral of parent, grandparent or sibling
- Transport was not provided by the LA when it should have been
- Children of service personnel about to go on deployment
- One off sporting events/performing arts competitions
- Operations which require recovery time
- Respite for children under social care involvement or those who are looked after or previously looked after
- Religious observance

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, **it is unlikely a leave of absence will be granted for the purposes of a family holiday.**

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least **2 weeks** before the absence, via an email or request leave of absence form that is available the school's website. The head of school may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong (s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so and send a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences

- The benefits of regular attendance and the duty of parents under **section 7 of the Education Act 1996**
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of 20 days for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

We believe in developing good patterns of attendance and set high expectations for the attendance and punctuality of all our pupils from the outset. It is a central part of our school vision, values, ethos and day-to-day life. We recognise the connections between attendance, attainment, safeguarding and wellbeing. Helping to create a pattern of regular attendance is the responsibility of families and all members of school staff.

To Help us all focus on this we will:

- Give families details on attendance in our newsletters
- Celebrate excellent attendance by displaying and reporting individual and class achievements
- Reward good or improving attendance
- Report to families regularly on their child's attendance
- Contact families should their child's attendance fall below the schools' target for attendance
- Allocate members of school staff as 'Attendance Champions' to support some of our families to improve their child's attendance.

And to celebrate positive attendance we will:

- Keep the attendance display board up to date and full of positive celebration and information
- Ensure class teachers have the information to celebrate attendance related achievements
- Celebrate attendance weekly within our celebration assembly
- Celebrate termly achievements in each key stage
- Ensure the class reward is in place for the class with the best attendance each week.

7. Supporting pupils who are absent or returning to school

Schools will work closely with parents and carers to understand the reasons behind a child's absence, using a compassionate and non-judgemental approach. Staff will actively seek to listen to the child's voice, using tools such as pupil voice sheets, drawings, or simple conversations to understand how the child feels about school and what support they may need.

A named adult—such as the class teacher, SENCO, or a pastoral support worker—will be assigned to oversee the child's return. This adult will create a personalised reintegration plan, which may include:

- Access to a safe space or calm area during the day
- Regular check-ins with a trusted adult
- Emotional literacy support (e.g., ELSA sessions or wellbeing groups)
- Peer support, such as a buddy system
- Academic catch-up through targeted interventions or small group work

The child's views will be regularly gathered and used to adapt the plan. Parents/carers will be involved throughout, and the plan will be reviewed at agreed intervals.

Where appropriate, the school will make referrals to external agencies to provide additional support. These may include:

- Community support
- Emotional Wellbeing Team
- School Nursing Team
- CAMHS (Child and Adolescent Mental Health Services)
- Local authority attendance or inclusion teams

If a pupil has an Education, Health and Care (EHC) Plan and their attendance drops, or if barriers to attendance are linked to their special educational needs, the school may notify the Local Authority SEND team and request a review of the plan to ensure it continues to meet the child's needs effectively.

8. Attendance monitoring

We use data to monitor, identify and support individual pupils or groups of pupils when their attendance needs to improve. Persistently absent pupils are tracked and monitored carefully. We also combine this with academic tracking as increased absence affects attainment. We share information and work collaboratively with other schools in the area, local authorities, and other partners when absence is at risk of becoming persistent or severe.

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request. The school has granted the DfE access to its management information system so the data can be accessed regularly and securely. Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole trust, school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance and using data to improve attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of weekly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Identify attendance patterns across the trust to identify common issues and barriers and share effective practice between schools
- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that have identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.3 below)
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.3 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available and take a support first approach
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary

We always work with parents to understand barriers to a child attending school regularly and will work in an informative and collaborative way, contacting parents via phone calls, text message, letters and meetings. Depending on the circumstances, we will take the appropriate approach to meet the needs of the child and the parent. The ultimate aim is for children to be attending regularly and accessing high quality education.
