Homework

TTRS 30 games per week

Reading 30 minutes per night and at least 2 quizzes a week.

Passport to learning projects

Spellings

LITERACY

In Literacy this term, we will be using the text 'Mr Stink.' We will look at writing poetry and using descriptive language to impact the reader. We will then move onto non-chronological reports where we will be producing fact files about homelessness.

The children have made such great progress over this academic year, and I am looking forwards to it continuing in the final term of the year.

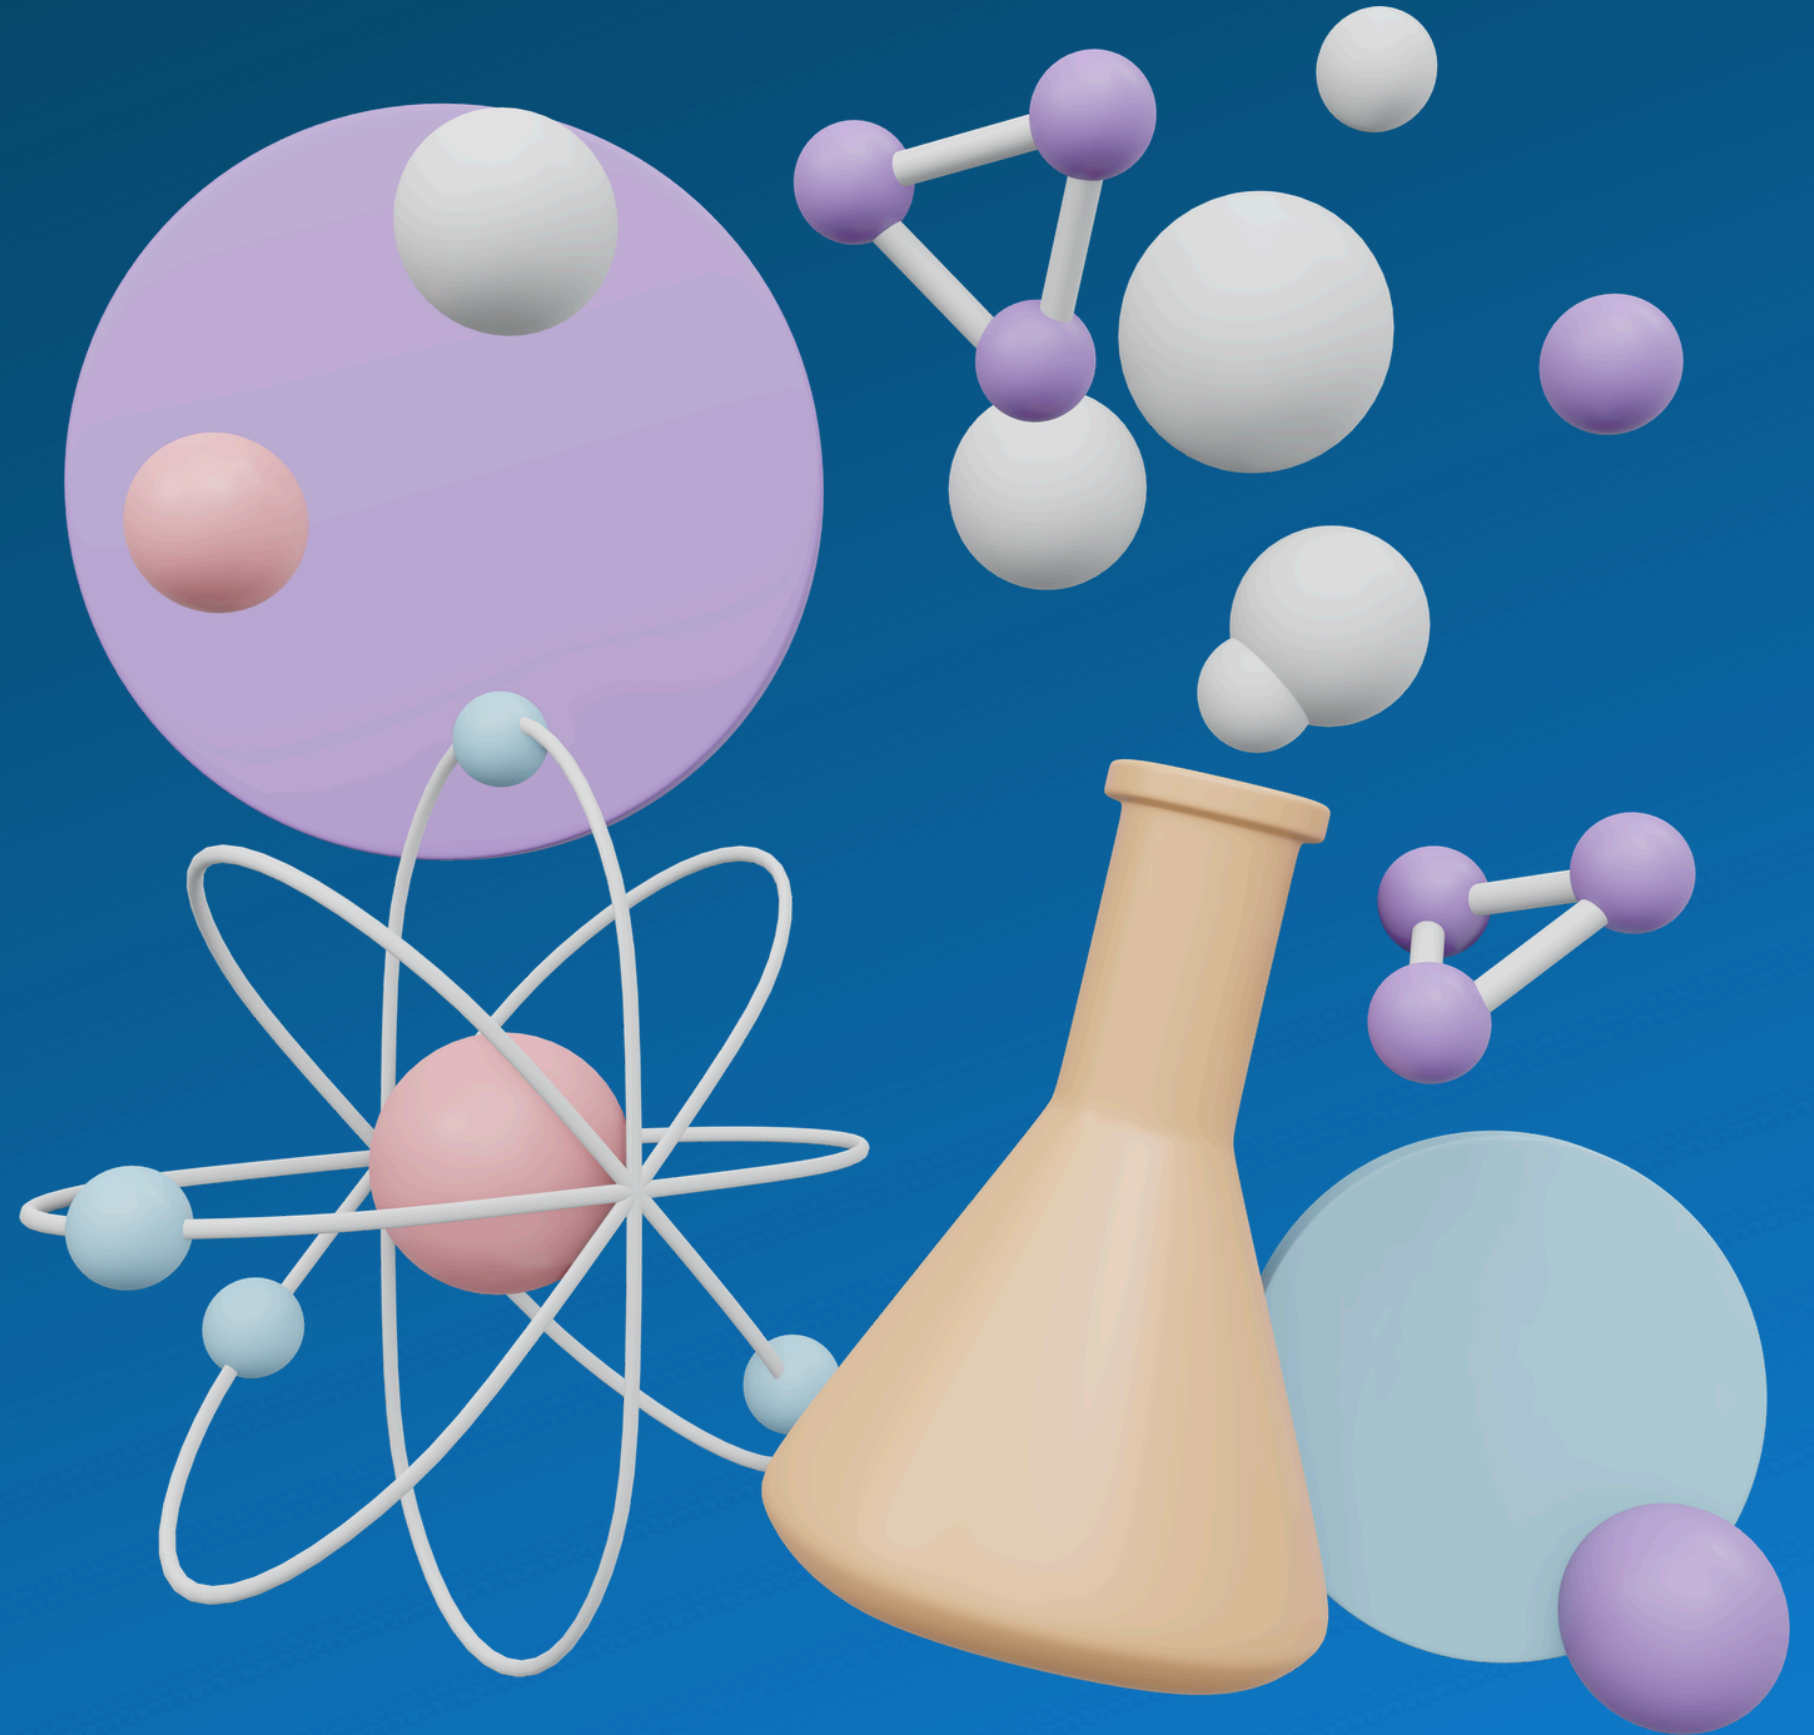

Maths

This term we will continue to develop children's oracy skills through talk for maths; this will enable children to further strengthen their reasoning and problem-solving skills so that they become more confident in making connections within and across mathematical concepts. We will be exploring time this term and children will have the opportunity to practise with clocks. We will then move onto angles and lines.

Science

Our topic in Science this term will be teeth and the digestive system.

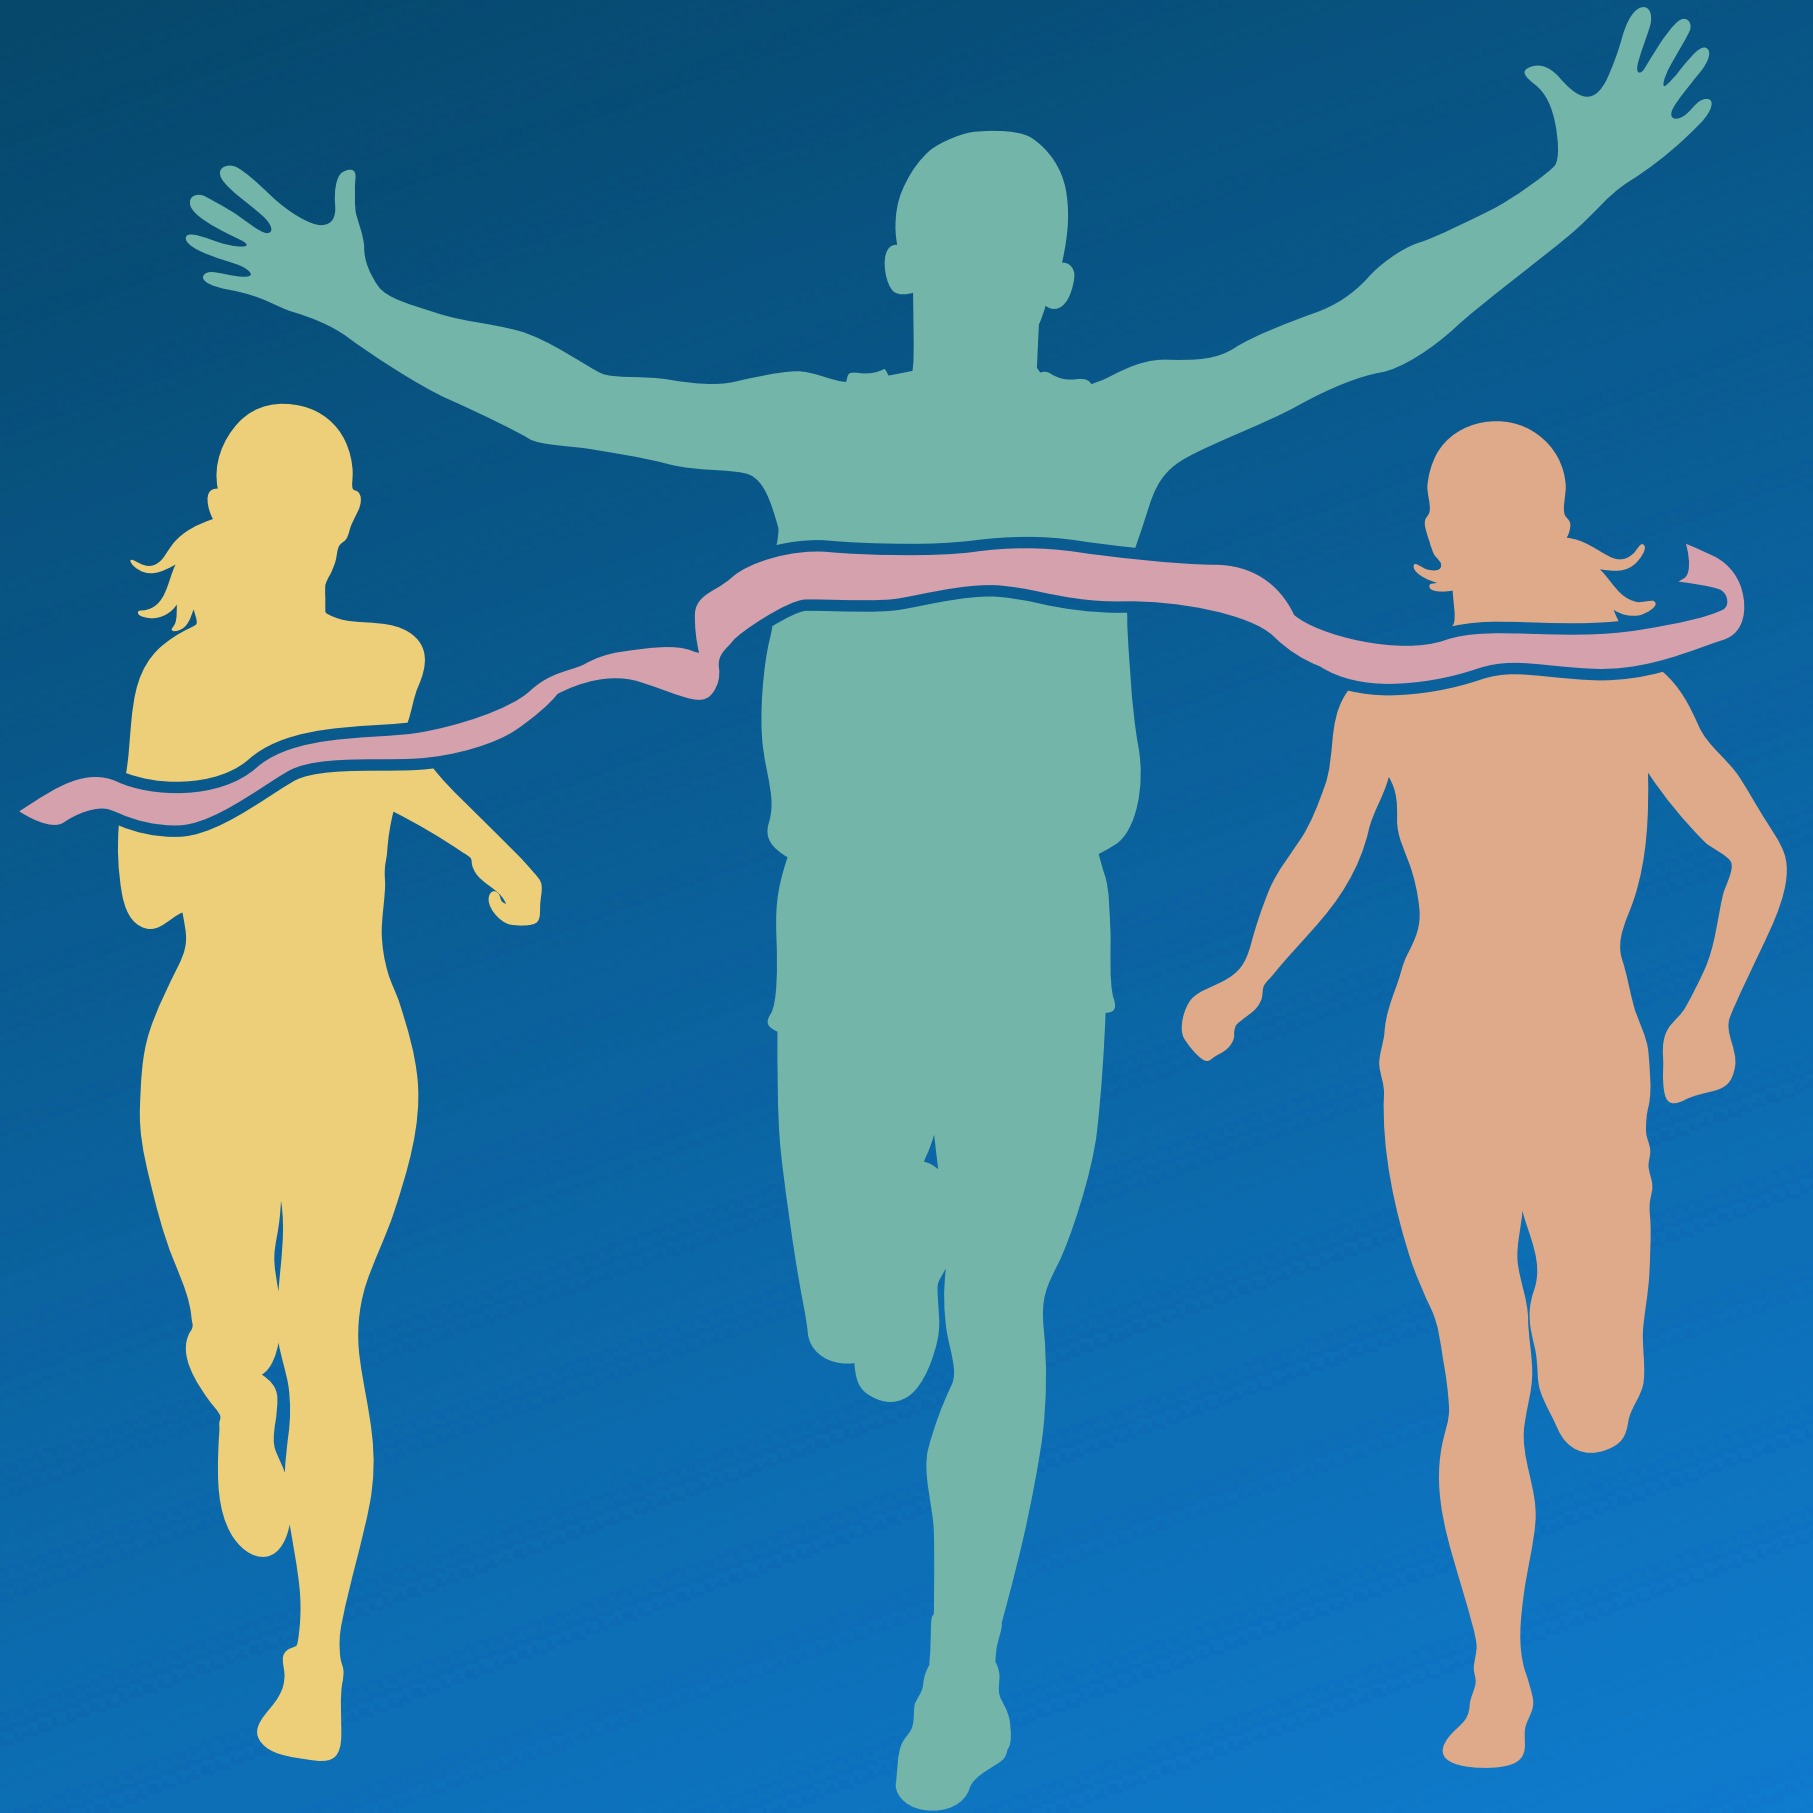

Topic

In Geography this term we will be looking at climate change. We will start by exploring what climate change is and we will then be going into more detail about the causes of climate change. We will end the topic on exploring how to be more sustainable.

PE

Athletics
Tennis

Music

Hawthorn class have been working really hard with Mr Saunders on the ukuleles. They have really been enjoying the lessons. This will continue in term 6 and I look forward to seeing the progress they continue to make.

RE

This term in RE, we will be thinking about why some religions think that life is a journey, and we will consider what significant experiences mark this.

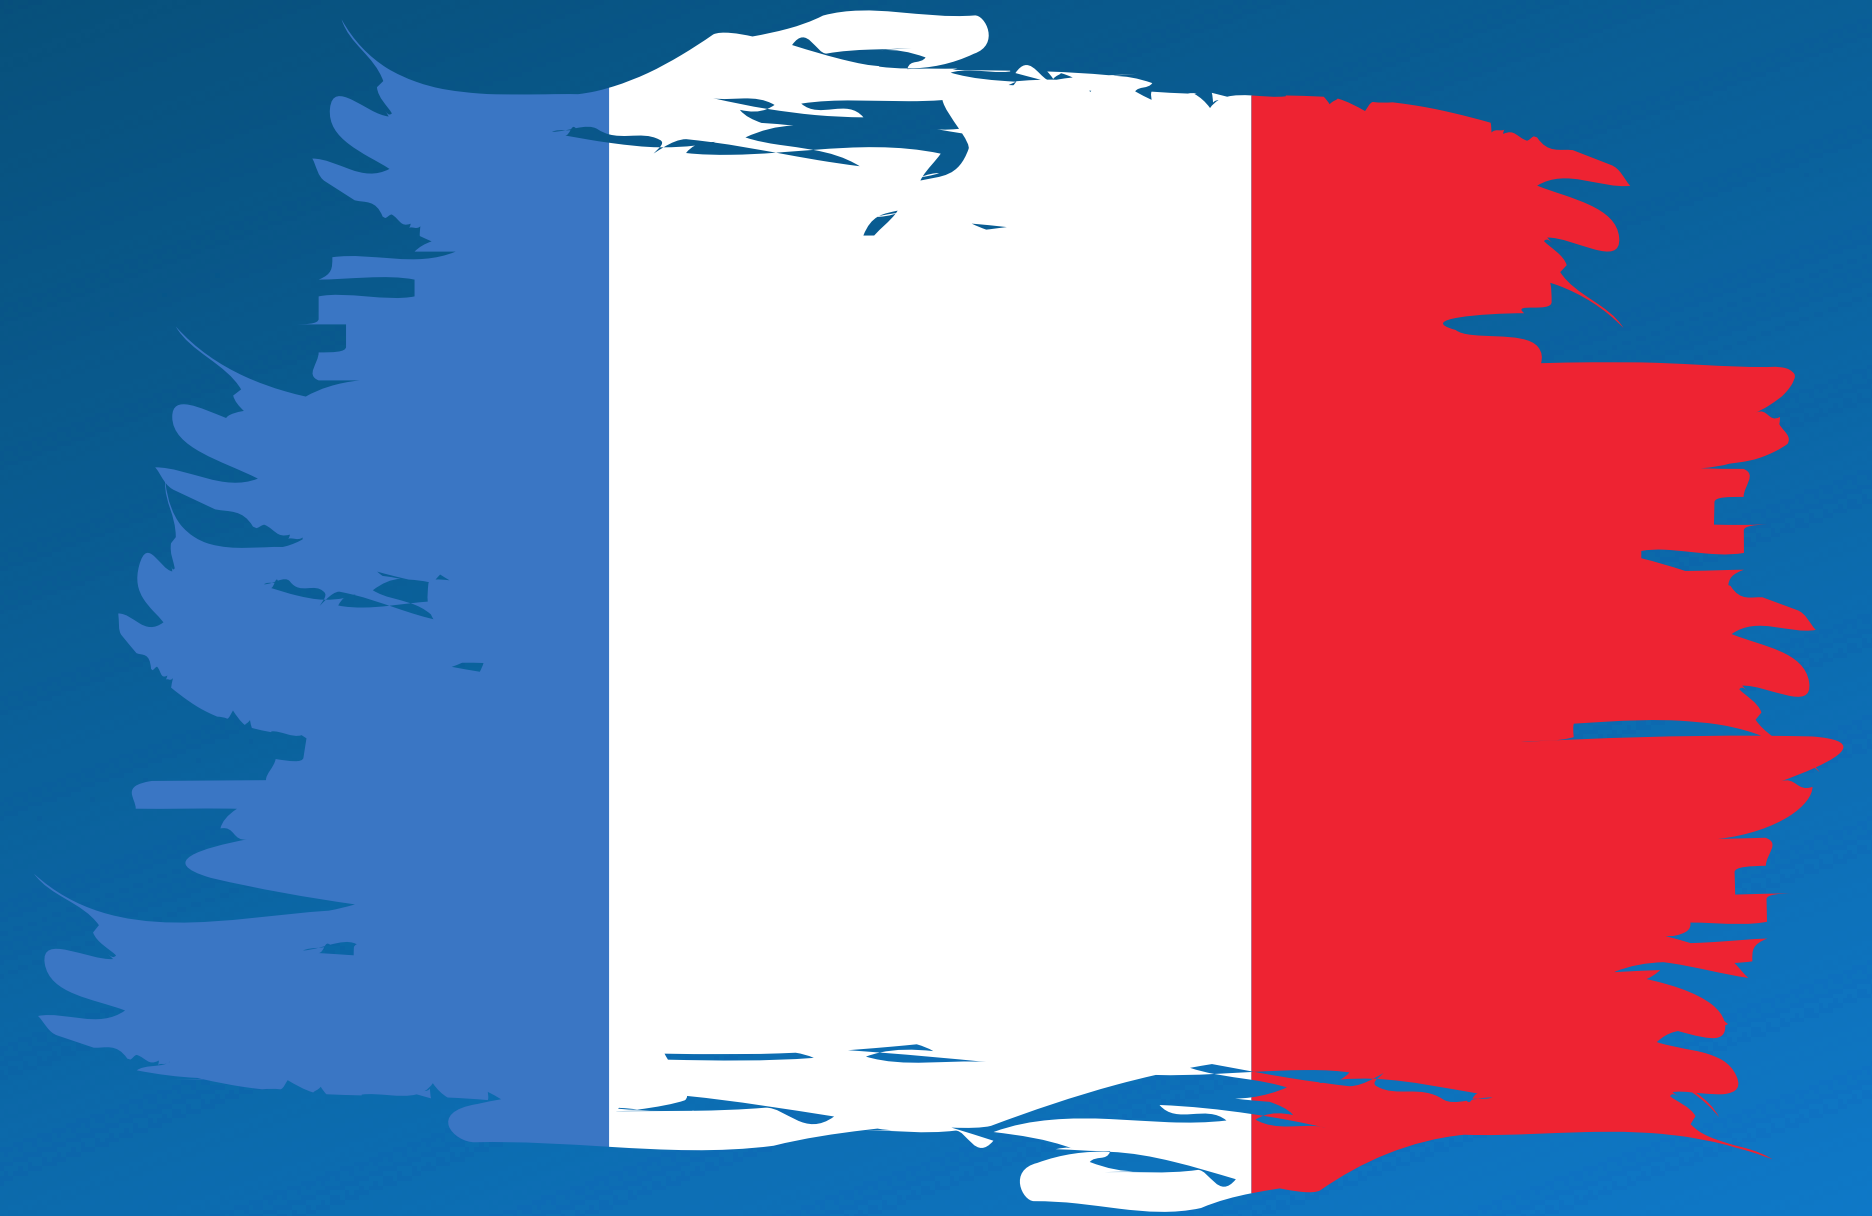

Computing

This term in computing, we will be exploring the concept of repetition in programming using the Scratch environment. They will be designing a game which uses repetition throughout.

French

In French this term, we will be learning to speak about going on holiday. The children will look at how to describe the things they are packing and things they may do on holiday.

**Thank you
for
reading!**
