HAWTHORN

TERM 1

LITERACY

Hawthorn class will use the text 'Gregory Cool' to inspire their writing in term 1. Their writing will include a recount, a diary entry, a leaflet and writing their own scene. They will use a range of writing devices within their writing.

Maths

In Term 1, we will be reviewing the children's place value understanding and developing further onto numbers up to 10,000. We will be looking at different ways numbers can be represented. We will be exploring how to partition numbers and how to round numbers to the nearest 10, 100 and 1000. We will learn how to count in 25s and find 1, 10 and 100 more or less than a number.

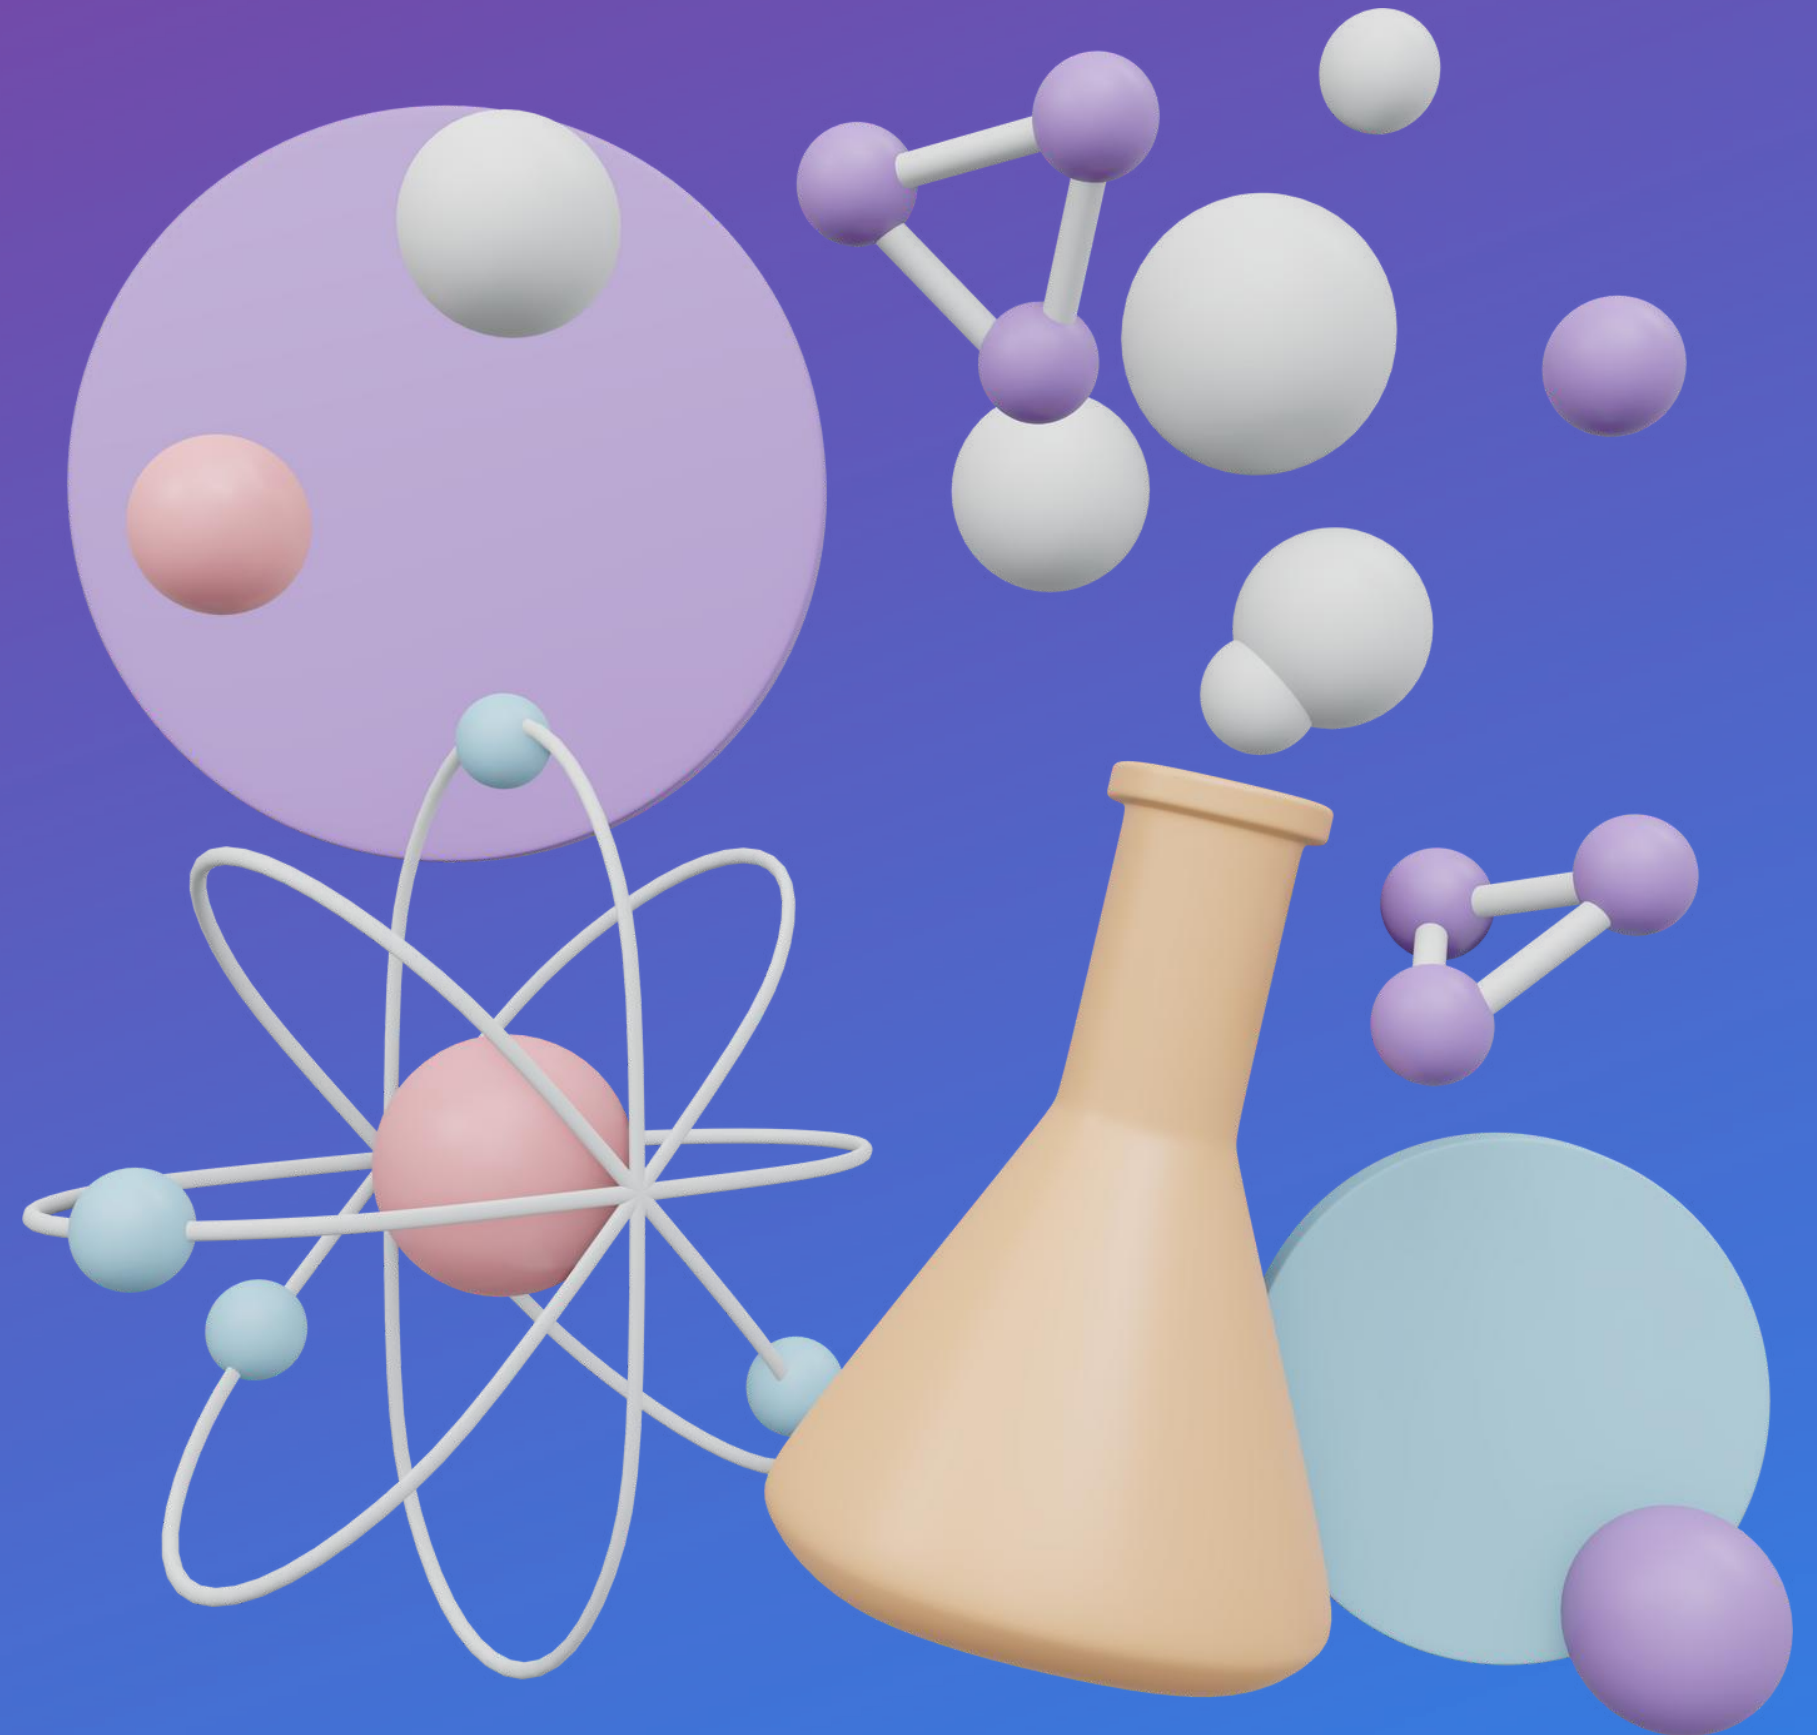

Homework

Please ensure your child reads for a minimum of 30 minutes every night. It is also important that they play a minimum of 30 TTRS games a week. Children should also be completing their passport to learning projects each term.

Science

In Science we will be exploring sound. We will think about what sound actually is and how it is made. We will consider how sound travels and we will make a cup telephone to test this. Finally, we will explore how sound changes.

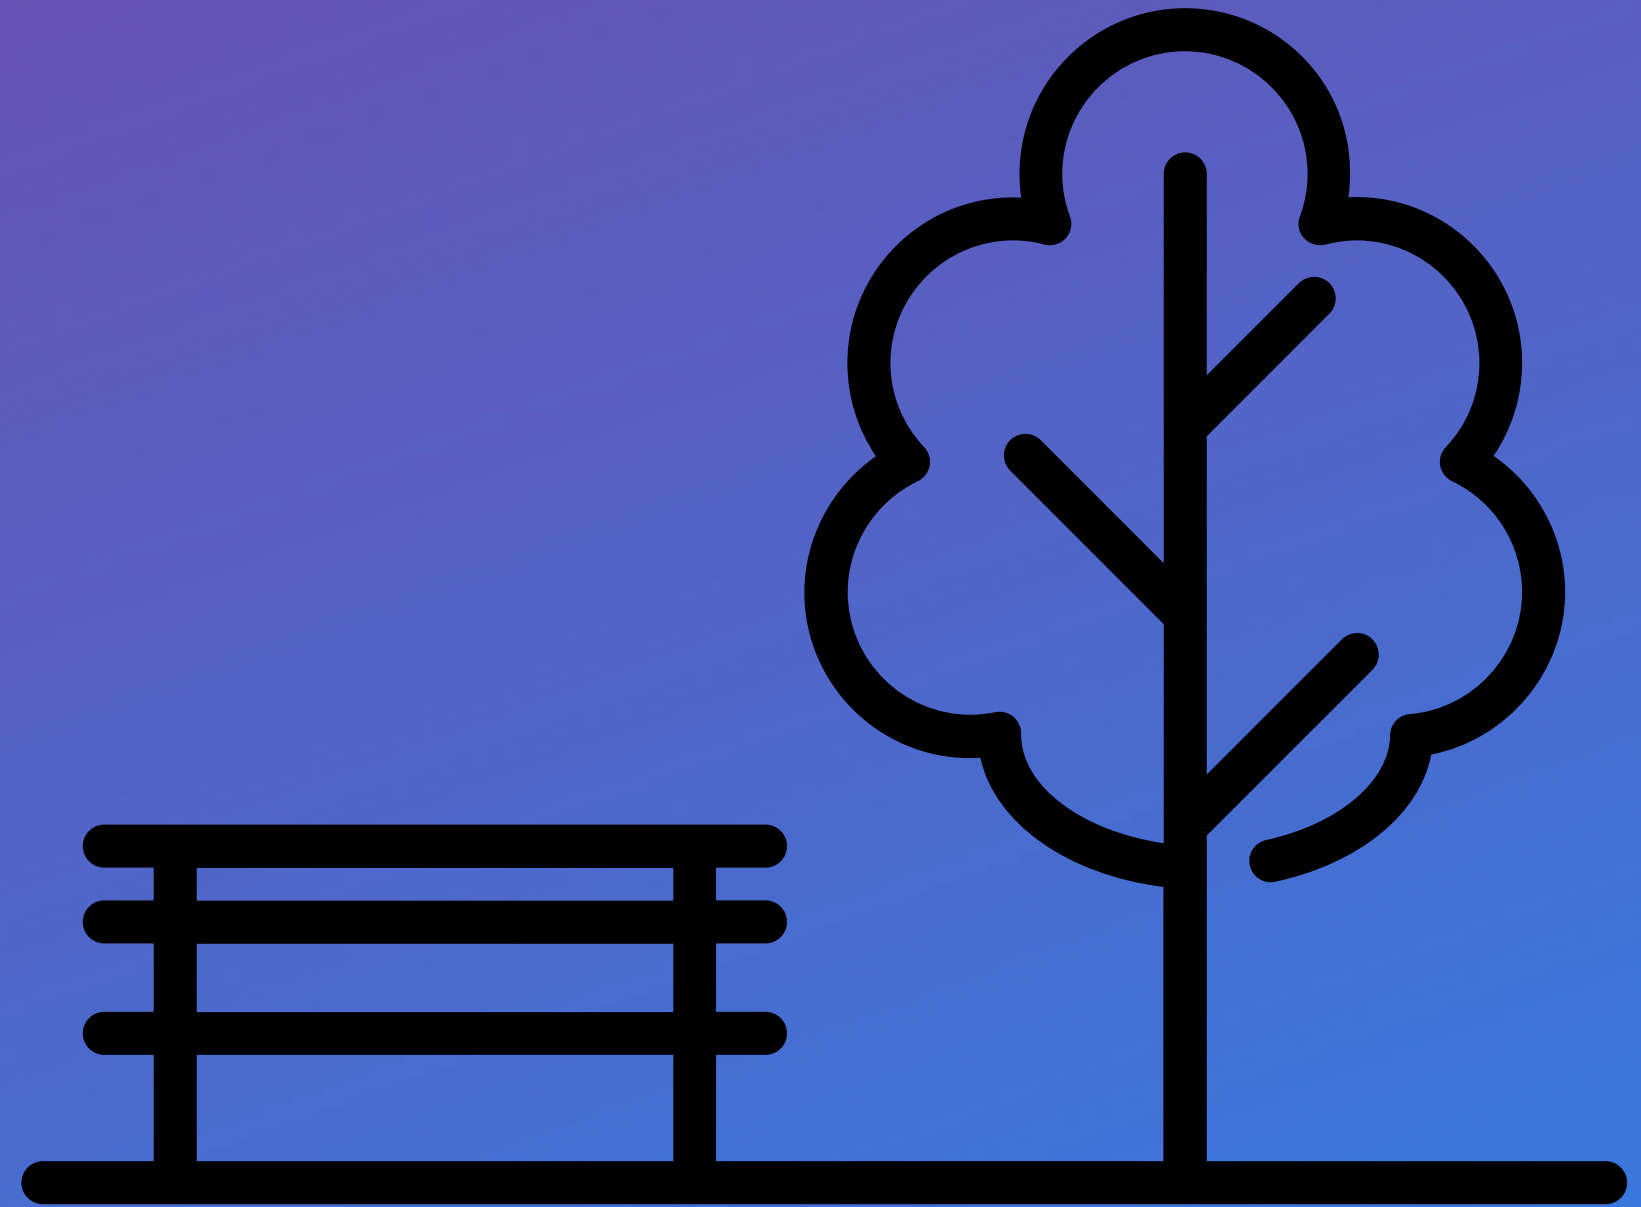

Topic

In Topic this term, our focus is Geography. We will be exploring our local area and using different types of maps. We will also be looking at compass directions.

Art/DT

This term we will be focusing on product design. We will consider our local parks and what equipment is included in the local park. We will then design our own piece of equipment for a park, we will make a prototype and then evaluate our design.

PE

Outdoor P.E – Tag Rugby

Children will learn a number of skills in this sport including holding and passing a ball. They will also learn how to score a Try.

Indoor P.E – Muay Thai Martial Arts

The children will learn a range of skills in these sessions; improving their basics understanding in the field of Martial Arts.

Music

In music we will be singing and improvising with our voice. We will be learning the song, 'This Little Light of Mine' and we will be singing it with tune, timing and rhythm. We will be using a gospel style approach.

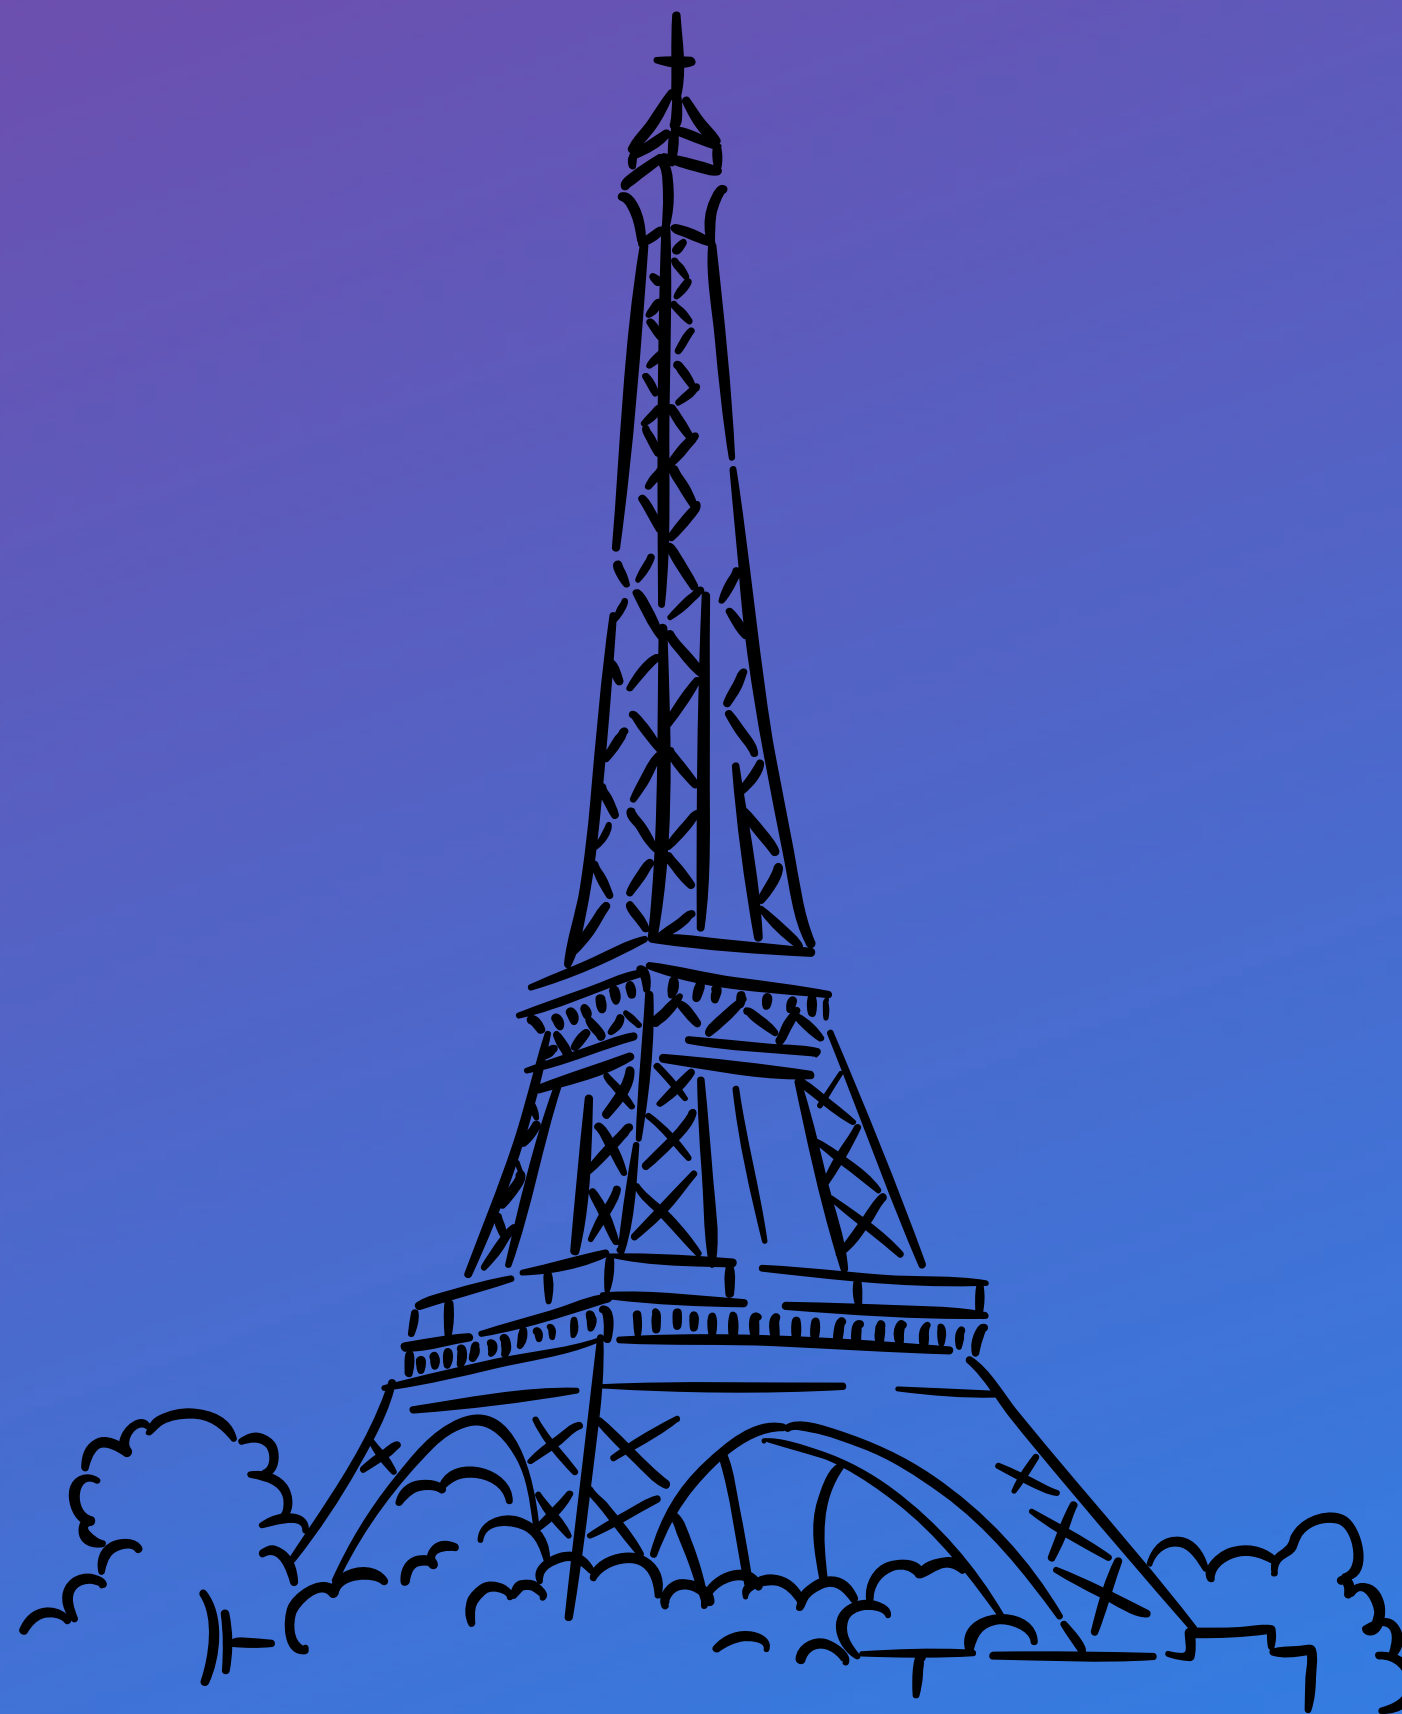

Computing

This term in computing, we will be considering what a network is and exploring the different parts of a network. We will be learning about the world wide web and how this is part of the internet. Finally, we will be evaluating online content to decide how reliable it is.

French

In French this term, we will be looking at how to introduce ourselves, ask someone how old they are and respond to this question. We will also be looking at learning the days of the week and numbers 1-20.

RE

Our topic in RE this term and in term 2, is Hinduism. We will be learning about how Hindus show their faith, including their beliefs about God. We will consider what is important to a Hindu and we will explore different beliefs.
